PLC - ETHIOPIA

አሳቤላ ሶክስ ማንፋክቸሪንግ ኃ.የተ.የግ.ድ
ISABELLA SOCKS MANUFACTURING P.L.C

INTRODUCTION

- Established in 21st June 2016 in Hawassa Industrial Park,
- Hawassa Ethiopia and having over 1 million pairs per month capacity to produce socks and tights to the international markets.
- There are 450 Ethiopians and 40 expatriates are working together to achieve best quality, on time delivery, competitive prices.
- Having installed state of the art machineries and equipment from Italy and Korea, China and India.
- Isabella has achieved the good reputation in the world hosiery industry.
- Our existing esteemed customer base and potential customers are getting the zero tax benefits from Ethiopian plant under the AGOA (African Growth Opportunities Act) and further EBA (Everything But Arms) initiative of the European Union which all imports to the EU from the least developed Countries are duty-free and quota-free. The EBA is part of the EU Generalized System of Preferences (GSP).

OUR MISSION

Manufacture premium quality socks and tights to our clients from Ethiopia with the intention of passing the lowest conversion cost in the world along with duty free facility to any major global market and assuring compliance with internationally accredited safety, environmental & ethical standards.
